PhD and MSc in Steel Construction at ISISE
5 June 2020 · 🌐

**!! Research Grant available @ ISISE-UC !!
New deadline !!**

We are looking for a researcher to work on the development of a nano-cement with improved thermal capacity, in the scope of research project NANOFIRE - Thermal and Mechanical behaviour of Nano Cements and their application in steel construction as fire protection.

Applications will be formalized by sending the following documents:

- Letter of motivation;
- Certificate of qualifications with final average;
- Cur... [See more](#)
