FRP++ - European Master in Advanced Structural Analysis and Design using Composite Materials

101048961

02/2022 - 07/2028

2 647 200€

EU Funding

2 647 200€

The European Master FRP++ is a one-year, full-time 60 ECTS programme leading to a double degree. It provides advanced training in structural composites, covering materials, manufacturing, mechanics, modelling, structural design, inspection, diagnosis, repair, and strengthening.
